

COMMUNITY GROUPS

WINTER/SPRING 2019

Our small group ministry at Living Water is made up of two types of groups: **Community Groups** and **Bible Studies**.

Community Groups are our main setting for making disciples at Living Water.

A Community Group is a group of believers following Jesus together and they focus on the three things: *fellowship, spiritual growth and care.*

These groups are the setting where we can share life and truth with other believers. Each group consists of people of all ages and are open to men, women and families. These groups are not just Bible studies, although they do study the Bible.

They also share life with one another which means they have meals together, connect throughout the week, try to meet in homes and care for each other.

It is our desire that everyone at Living Water is involved in a Community Group.

To get involved, contact Pastor Bo at bdhutches@livingwateralamosa.org

Contact 719-588-1603 for location

* Childcare is offered

BIBLE STUDIES

WINTER/SPRING 2019

Our **Bible Studies** are the setting where we grow in our knowledge of the Scriptures and strive to walk obediently to what we learn.

The emphasis in these groups is to devote an hour to an hour and a half studying a book of the Bible or working through a topical study.

These current groups meet at the church, but future groups can be held in different locations such as a coffee shop, restaurant or work space.

Men's Prayer and Study Breakfast

Leader: Greg Bervig
